<p><b>HB 2662</b> <b>AORTA</b> <b>Endorsed</b> 1-28-23</p>	<p>Study for Extending WES commuter rail service from Beaverton and Wilsonville to Salem. <i>Appropriates \$0.5M GFS</i></p>  <p>The three primary cars were built by Colorado Railcar, now out-of-business. Two(?) older, Budd RDCs supplement the fleet.</p>	<p>Sponsors: Rep Neron; Sen Woods <i>Requires ODOT to collaborate w TriMet, P&amp;W RR, to study extending WES to Salem, increasing frequency and hours of service. ReQUIRES consultation w Wilsonville, Donald, Woodburn, Keizer and Salem and respective transit agencies.</i></p> <p>WES is a 14.7-mile commuter rail service (parallel to Hwy 217 and I-5) managed by TriMet and operated by Portland &amp; Western RR serving Beaverton, Hall/Nimbus (Washington Square), Tigard, Tualatin and Wilsonville OR. It provides infrequent (30 min), peak-hour service on weekdays (M-F). Service began in 2006.</p> <p><b>AORTA</b> has been involved with creation of WES, and has supported bills (introduced by the late Rep Mitch Greenlick) proposing extension of service to Salem in nearly every session since 2006. <b>AORTA</b> has always held that service should include service to Salem, throughout the day and seven days/week in order to build cost-effective ridership. The bill reportedly has support from the City of Wilsonville, Aurora, Donald, Woodburn, Salem, TriMet, Cherriots (Salem transit) and other transit systems with which it would connect.</p>
<p><b>HB2691</b> <b>AORTA</b> <b>Endorsed</b> 1-28-23</p>	<p>Requires any ultra-HSR study to include service to Eugene. Limits UHSR funds to 50% (or \$1M) of total spent for RPS</p>	<p>Sponsors: Rep Nathanson, Dexter, Levy B; Sen Gorsek, Dembrow, Patterson <i>This bill points out that UHSR must supplement, not replace, existing RPS, and that existing service must be improved, expanded.</i></p>
<p><b>HB 2692</b> <b>AORTA</b> <b>Endorsed</b></p>	<p>Requires ODOT to coordinate with WashDOT and BC to develop and fund RPS</p>	<p>Sponsors: Rep Nathanson, Dexter, Lively; Sen Gorsek, Dembrow, Patterson <i>Requires development of shared vision, goals, objectives, performance goals, fleet management, shared costs, marketing, stakeholder</i></p>

1-28-23		<i>outreach.</i> <b>NOTE:</b> This bill is intended to move Oregon toward formation of something like a regional rail authority.
